Bowl Tamer RTU

Thickened Tamed Acid Bowl Cleaner

Bowl Tamer RTU

Where to Use

Bowl Tamer RTU is a breakthrough in cleaning technology. This powerful foaming shower and bowl cleaner harnesses the cleaning power of a traditional hydrochloric acid bowl cleaner with unique ingredients to “tame” the potential harm of both product users and surfaces. This results in a safer and highly effective product for cleaning, descaling, derusting and polishing toilet bowls that is safer and far more pleasant to use. Suggested areas of use include shower rooms, restrooms, and other large areas.

Benefits

- Proprietary ingredients to “tame” hydrochloric acid.
- Stable hard water tolerance.
- Eliminates fuming of traditional hydrochloric acid products.
- Effective cleaning.
- Reduces risk to product users and potential damage to surface.
- Powerful acid for cleaning, descaling, derusting and polishing toilet bowls.
- Saves time and money.
- Thicker “cling” to vertical surfaces.

Dilution Ratio

No dilution required. Ready to use.

Directions for Use

Flush toilet and force as much water over the trap as possible. Apply Bowl Tamer RTU full strength to swab. Swab bowl, particularly the water outlets under the rim. Rinse by flushing.

Foam on Bowl Tamer RTU, wait 10-15 minutes and rinse thoroughly.

Do not mix with chlorine type bleaches or other cleaning chemicals as dangerous fumes may result.

| Properties | |
